

House rules

Landhaus Hammoor

This rules will be **accepted by enter the reception!**

1. Only enter the hotel when you are sure that you are healthy are!

(NO signs of infection)

2. Masks a required indoors!

3. Every hotelguest has to be full vaccinated or recovered, this must be able to be proven with a valid certificate!

And also present a negative test result on arrival (no more than 24 hours old antigen rapid test or no more than 48 hours old PCR test). This does not apply to people who, in addition to a complete basic immunization, can also document their booster vaccination that was at least 14 days ago.

For business journeys (**guests who are not full vaccinated**), a negative corona test certificate that is not older than 24 hours upon arrival is sufficient. Business travelers who arrive with a corona test certificate must independently present a negative corona test certificate every 24 hours after arrival! For children from 7 years of age, a school certificate of regular testing is sufficient for the journey! During the christmas holidays, a self test including documentation (First- and Surname, Name of the test, Result, Date and Time) will be ok. The documentation has to shown by check in!

4. Reservation is required and can be made online, by phone, by email or on site!

5. When entering, please note the entry instructions!

6. Please disinfect your hands!

7. Maximum of 2 guests are allowed in the reception area!

Take care of yourself and others and keep the distance to others and our staff of minimum **1.50 meters!**

The instructions of the staff must be followed!
